

The School Supplies are coming! The School Supplies are coming!

Back by popular demand!

Sandpiper School Supply Pre-Purchase Program

Beginning Friday, May 27 until Friday, June 3, you can pre-order the school supplies that your child(ren) will need for 2011-2012 school year. By purchasing your school supplies through the Sandpiper School Supply Program, you can

- 1) Save yourself time, aggravation and money this summer! We all know how much gas is right now! No more driving from store to store because everyone is out of that one thing you need.
- 2) Ensure your child will have the specific brands that the teachers have requested. Teachers request specific brands based on quality, durability and consistency of each specific product. Purchasing through this program ensures that each child will have the same quality products in all grades.
- 3) Rest assured that everything will be delivered to your child's classroom, to stock and be ready to use on the first day of class. You don't have to do anything else and it will be one less thing to worry about this summer!
- 4) Help Sandpiper! Once again, through the generosity of General Pencil, a portion of the proceeds of the school supply sale will be donated back to Sandpiper to fund our programs this Fall.

As a reminder, while we hope you will take advantage of this program, participation is optional. If you decide not to participate in the pre-purchase program, your child(ren) will need to bring the required school supplies to school during the Welcome Back Registration on Monday, August 22, 2011.

Questions??? Please contact Lisa Eliopoulos at eliopfamily@gmail.com.

SCHOOL SUPPLIES REQUESTED BY EACH TEACHER ARE LISTED ON THE REVERSE. THESE ARE THE PRODUCTS AND BRANDS THAT THE TEACHERS HAVE REQUESTED. This will be the only chance to order the required school supplies. There is no online ordering available this year. To place your order, please return the bottom of this form with the completed information with cash or check (made payable to Sandpiper PTA). Please turn in one form for each child, even if you do not plan on participating in the Sandpiper School Supply Program.
