“Characters Welcome”

Teacher
Shauna Yelnick
is returning to
Sandpiper!

Welcome to the entertaining world of theater arts! Students will be introduced to the basics of theater: acting, theater vocabulary, and how to work together as a fantastic ensemble. This class takes place in a positive atmosphere--characters and unique personalities are welcome! Students will have the opportunity to volunteer in fun, and sometimes even outright silly and ridiculous, theater games to learn about voice techniques, physical actions, characterization, stage presence, using their imagination, audition techniques, and much more! The last class will include a performance for family.

Improve life skills such as confidence, public speaking, presentation skills and memory.
